# The Academia

On October 26<sup>th</sup>, 2004, the Interfraternity Congress and the Panhellenic Council co-sponsored the Annual Fall Greek Scholarship Reception. This reception is held every Fall Semester in order to honor the outstanding Greek Scholars for their exceptional achievements. All Greek members who have earned a 3.0 GPA or higher were invited to enjoy food, drinks, music, and intelligent conversation at the Harcourt House. President Hundert started the night out with a special message to those in attendance for their exemplary record in both their academic endeavors as well as their leadership roles. During the reception, the new members of both Gamma Sigma Alpha, as well as the Order of Omega, were introduced to the anxious crowd. Gamma Sigma Alpha is a group consisting of the top scholars. The Order of Omega is a group which recognizes those fraternity men and sorority women who have strived to improve the overall vision and nature of Greek Life in the hopes of creating a stronger Greek community. The Eta

Sigma chapter of Order of Omega welcomed 12 new members from 10 different Greek Organizations. The chapters that attained over 100% of their philanthropy hours (but hadn't gotten their hours in before last year's deadline for the Spring Greek Awards Ceremony) were presented with plaques for this accomplishment. Sigma Nu and Phi Mu returned with some academic hardware, as they both received the Outstanding Greek Scholarship Trophy. Sigma Nu also received the most improved GPA Trophy. The Christina Camardo scholarships were awarded to Karen Ziarnowski of Alpha Chi Omega and David Buckmaster of Sigma Phi Epsilon. All in all, it was a great night of Greek Scholarship Fun.

Special thanks go out to Victoria Moore (Sigma Psi) and her string quartet for entertaining the entire attendance with their excellent playing.

Fraternity members enjoy the chance to ask President Edward Hundert some questions at the Greek Scholarship reception, held October 26, 2004 at Harcourt House.
