Every year, the Interfraternity Congress and Panhellenic Council award scholarships for which all incoming freshmen to Case Western Reserve University are eligible. These scholarships will be awarded based on the four key values of Greek Life at Case: Citizenship, Scholarship, Ritual, and Leadership. Pick three of the four values, answer the question for each value you select, and attach them to this application.

### Citizenship

- What has been a meaningful experience for you in helping your community? Why?

### Scholarship

- Why did you want to come to Case, and how will Case help you achieve your goals?

### Ritual

- How do you plan to give back to your home community, now and in the future?

### Leadership

- Explain a time that you made a difference in an organization by being a leader. How did you go about achieving this difference?
